THE subscriber would most respectfully inform his many NUMISMATIC friends and customers, that *it is not* his intention of retiring from the very interesting pursuit of collecting and disposing of the Gems of the Numismatic art, but will still continue at his well known establishment, 83 Bleecker Street, New York.

He would also state, that in making this Sale, he has acted under the urgent request of many collectors, to part with a portion of his FIXE PRIVATE COLLECTION OF CENTS, and hoping to give all a fair chance to obtain those dates that they are in want of, he has adopted this method to satisfy all. And in his description of the quality of them, he has portrayed them as far as in his judgment he considers correct.

Wishing still to receive your patronage,

I remain yours, very truly,

JOHN K. CURTIS.
